

Staff information

Name	Prof. Viral Dhirajlal Panara
Photo	
Brief	<p>Viral Panara is working as an assistant professor in CHAMOS Matru sanstha Department of Mechanical Engineering, Chandubhai S Patel Institute of Technology, CHARUSAT. He has accomplished his graduation in Mechatronics and post-graduation in CAD/CAM degrees in 2011 and 2014 respectively, from G. H. Patel College of Engineering & Technology, Sardar Patel University - Vallabh Vidhyanagar and C. S. Patel Institute of Technology-CHARUSAT. He has acquired 4 years' experience working as an assistant professor in mechanical engineering department at CSPIT, CHARUSAT Changa since June 2014. His area of interest comprises of mainly in Casting, Production & Material science. During his Post graduation; he has done his dissertation project at Larsen & Toubro, Knowledge City, Baroda for 1 year as an Design trainee. Currently he is working in research associated with metal casting and manufacturing processes. As a part of research he had 3 years hands-on exercise to learn & understand casting and other manufacturing processes at laboratory scale. During his learning, he has developed many small machines and mechanisms for foundry practice in lab. With his practice he has developed quality processes and techniques related to casting and manufacturing in "Material Processing" laboratory which is research laboratory where all kind of casting and material related development is going on. Apart from the academic record, he is coordinator of Departmental Anti-Ragging committee. He has attended as well as organized various seminars and Faculty development programs including Short term training programs. In addition, he has guided 12 PG & 8 UG students in their post-graduation dissertations. Excluding academics & research, he is interested in Mountaineering, Swimming, Farming, and Bike Riding. Over all he is having very dynamic personality with a very hard yet smart and dedicative nature towards development of everyone either in academics or as a human being.</p>
