

Staff information

Name	DR. KILLOL PANDYA
Photo	
Brief	Dr. Killol Pandya has obtained PhD degree in the area of Liquid Electronic Circuits from CHARUSAT, Changa, Gujarat. He has more than 10 years of teaching experience. Currently he is working as Assistant Professor (Senior Scale) at Department of Electronics and Communication), CHARUSAT, Changa, Gujarat. His research interest includes novel liquid electronic circuit development, circuit-networks and micro strip antenna designing for mobile communication. He has published more than 15 papers in journal and conference proceedings. He has received grants of 1, 05,000 rs. from GUJCOST.
