

Programme	Certificate Course on “Finite Element Modeling & Simulation with ANSYS Workbench”
Delivery & Duration	9 Weeks (4 hours/Saturday) 24 th July - 25 th September, 2021 Online Mentored Learning Live Faculty Interaction
Certificate	Certificate of Completion from Charotar University of Science & Technology
Curriculum	Topics Covered: <ul style="list-style-type: none"> • Introduction to the Finite Element Method • Solid Modeling in Ansys Workbench • Structural Analysis • Thermal Analysis • Vibration Analysis • Non-linear and Dynamic Analysis • Coupled Analysis and Parametric Study
Programme Highlights	<ul style="list-style-type: none"> • Live interactive sessions by experts from Charotar University of Science & Technology • Project-based learning will be provided to the students to make them ready for live projects of industries • Project-based Assignments
Fee structure & Payment link	<ul style="list-style-type: none"> • For CHARUSAT students INR 5,000/- (Excluded GST) • For External students INR 5,900/- (Including 18% GST)
Application Deadline	17th July 2021 Apply Now
Who this programme is for	Fresh graduates and diploma from Mechanical Engineering.
