

Jigar Sarda is working as an Assistant Professor in M & V Patel Department of Electrical Engineering, Chandubhai S. Patel Institute of Technology, CHARUSAT University, Gujarat, India since January, 2012. He has completed his B.E. Electrical from Charotar Institute of Technology in 2009, M.E. in Automation & Control Power System from L.D. College of Technology in 2012. He has pursuing Phd from CHARUSAT University since 2015. He is working on Power System Analysis, HVDC transmission system and Optimization. His research interest area includes Power System Control, Smart Grid, and Optimization. He has guided 06 M.Tech dissertations and has 02 International conference papers & 07 Journal publications on his name by October 2018. He is the recipient of second best algorithm awards in IEEE PES 2018 competition on Emerging Heuristic Optimization Algorithm for Operational Planning of Sustainable Electrical Power Systems. At department/Institute level committee, he is serving as an Executive Central Council representative of electrical department, internal exam Coordinator, Sports Coordinator, and Member of Board of Studies. He is Member of Indian Smart Grid Forum Cyber Security working group.
